Dear Mr Gale

It seems like only yesterday when I last wrote but another year has flown by. I am writing to ask if you would consider us for a donation again this year. A few of the planting barrels need replacing this year and we have ordered the plants for the spring into summer planting at the end of May. The planters are cared for by village gardeners who like to make Hartlebury attractive for all who live in here and those who travel through. You have previously given us a donation of £250. We hope that you will be able to help us again.

Yours sincerely,

Mrs P.A. Jewkes
