Brian,

I know the wheels are taking a time to turn but we are giving consideration to carrying out enforcement in Rectory Lane. As regards Old Worcester Road the local policing team were asked to give attention to the area.

At the beginning of October there is a Worcester Ops Forum when Hartlebury enforcement amongst other are being discussed. I should be able to provide an update after that meeting.

Regards

Bob

Robert

Some months ago you were in touch with Hartlebury PC via Andy Murcott; Andy has now left the Council so I am re-establishing contact to see where we might be with respect to resident speed monitoring in this village.

Perhaps you could bring me up-to-date.

Brian Gale  
Clerk to Hartlebury Parish Council
