The Parish Council are asked to consider whether there is any value in keeping the following bodies

Planning Committee

Currently comprises Sandra Hickman, Caro Boughton-Thomas, David Simons plus 3 vacancies. It would make sense for any planning applications which cannot be considered at Parish Council meetings to be referred to all Councillors for comment by the Clerk

Business Liaison Group

Currently Jan Hipkins plus 3 vacancies. Does this Group have any value?

Worcestershire CALC Area Meetings

Currently 2 vacancies. Suggestion is that meetings are attended by Councillors volunteering on a meeting basis.

Friends of Hartlebury Castle & Hurd Library

Caro Boughton-Thomas. This is not a Parish Council appointment.
