Dear Members of Hartlebury Parish Council,

Subject: Community Café.

You may be aware that a community café now operates from the Parish Hall every Tuesday morning. The café is well used and is fulfilling a need as listed in the “Strategic Aims of the Parish Plan”.

As the Parish Council support local organisations which enhance community life, such as Gardening Club, Football Club and the Tennis Club (in the past) in the form of an annual grant of £250, would it be possible for the Parish Council to consider a similar annual grant towards the running of the community café?

Thank you for your consideration.

Yours sincerely,

Ray Kirby
Secretary, HPHMC
