

HARTLEBURY PARISH COUNCIL

Date	March 2017
Agenda Item No	12
Title	Non traditional fitness sessions for the community
B a c k g r o u n d	<p>As part of researching funding for the Community Project I met with an officer from Wychavon.</p> <p>It emerged from this meeting that an application for funding to organisations such as Sport England would be more favourably considered if innovative, non traditional fitness sessions such as 'street fitness' and 'boot camp' were already offered, or could potentially be offered in the parish.</p> <p>By pure chance, I heard of a company that had begun these sessions in local villages/towns of Blakedown, Hagley and I contacted the company for further information.</p> <p>The company named 'pincher fitness' (pincherfitness.com) gave advice on funding; equipment; what could potentially be offered for the community and expressed an interest in offering sessions in Hartlebury.</p> <p>The company informed me that all that is needed initially is the use of public space and help to publicise sessions.</p>
C o n s i d e r a t i o n s	<p>Should we support this company?</p> <p>It is a man and wife company (currently also working as fireman and teacher)</p> <p>Have they got the necessary qualifications/clearance/insurance?</p> <p>Would any other company be interested?</p>
P r o p o s a l	<p>After confirming that the necessary clearance/insurance is held we offer to support this company by allowing them to use the village green rent free and advise/assist them in advertising.</p>
Risk	Low
