

HARTLEBURY PARISH COUNCIL

Agenda No. 8

Membership of Parish Council Advisory Groups and Representation on External Groups

Report by the Clerk

For the benefit of new Councillors, the Parish Council agreed in December 2017 to review its existing Committee structure and subsequently in January 2018 agreed the membership of a number of Advisory Groups to replace that structure. I attach as an appendix the membership list from the previous Council.

Following the May elections, the membership of those Groups and External Groups needs to be reviewed. However in the light of the relatively small number of Councillors currently on the Parish Council I would suggest that the Parish Council only appoint members to the following bodies at this stage:-

1. Finance and Risk Management Advisory Group
2. Parish Hall Management Committee
3. Mannings Charity
4. EnviRecover CLG
5. Worcestershire CALC

I would suggest any appointments be reviewed as additional Councillors are appointed at a later date and that the remaining Advisory Groups etc be dealt at that time.

Recommendations

1. That the Parish Council reaffirms the continued practice of Advisory Groups.
2. That the Parish Council agrees the appointment of Councillors to the bodies listed above.
3. That all remaining appointments be deferred until additional Councillors are appointed.

Neil Gulliver
Clerk
