

## PUBLIC RIGHTS OF WAY

**The Parish Paths Partnership is a grant scheme administered by Worcestershire County Council, as the Highways Authority. Working closely with Parish Councils it allows local delivery of vegetation clearance and signpost maintenance by our Parish Lengthsman.**

**HARTLEBURY Parish Council is fortunate as we also have a Volunteer PARISH PATHS WARDEN, who keeps a knowledgeable eye on the state of our public rights of way, checking footpaths are walkable and clearly signposted. When required, he, together with other volunteers carry out essential trimming back and other works necessary to keep them in good order.**

**Therefore, if you have any queries, or encounter problems on our parish pathways, please contact:**

Mr John Denby (Parish Paths Warden) on
